

## 2021-22 SCHOOL YEAR REOPENING PLAN

Sky Islands plans to open for in-person classes in Fall 2021. It is our hope and our expectation that a sufficient portion of the population will have been vaccinated by August of this year, and that students and school staff will be able to safely return to regular daily classes on campus.

In the event that vaccination distribution is not as successful as expected, or if the CDC recommends continued closure of schools in favor of remote teaching, Sky Islands will re-evaluate its position. Otherwise, it is our intention to resume teaching in person this fall.

Our 2021-22 School Calendar is now posted on the website. The first day of school for students will be Monday, August 2, 2021.
